Accounting of how the funds were spent

Provide below an accounting of how the state contribution received was spent as compared to the budget which you had been directed to provide to the State on or before November 1, 2021. Expenditure descriptions similar to those used in your organization's accounting records should be used. All amounts should be entered in whole dollars. Where applicable, use the Explanation column to provide additional information to categorize expenditures by program or initiative and to provide additional details for categories that exceed 10% of the total appropriation. If you have not spent all of the State contribution received, use the last section on this worksheet to explain why and provide a timeline for when the unspent funds will be spent for the purpose they were given.

Description	Budget	Actual	Explanation
Body Cameras	913,471	916175.39	waiting on remaining balance due to finalize
